The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Youth and Family Center Facility Improvement Project in fiscal year 2024. The entity to receive funding for this project is Youth and Family Center, located at 818 Cass Ave, St. Louis, Missouri 63106. The funding would be used for renovations.

The project is an appropriate use of taxpayer funds because the renovation will enable the Youth Family Center to attract more youth and provide a safe and appealing environment that promotes community and inspires creativity. This funding would not only be an investment in the building, but also an investment in the lives and futures of YFC children and youth, and help YFC continue its work serving as a vital resource that needs to be cared for to ensure longevity and sustainability.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CORI BUSH  
Member of Congress
